

INSTRUCTIONS FOR COMPLETION OF APPLICATION

The following instructions and information are provided for proper completion of an application for State of Idaho Geothermal Resource Lease.

- Item 1. Applicant Information:** Complete name, address, and telephone number must be listed. Either Print or type. More than one person may be entered as applicant, however one person must be designated as the lessee of record for purpose of correspondence and accountability. Lease address will be the address of lessee of accountability.
- Item 2. Description of Land Applied for:** The rules stipulate that a lease will include all state-owned lands in a section, unless such lands are presently leased or otherwise not available for lease. Hence, enter only the township, range and section of interest. Acreage will be determined by the Department of Lands staff and, if a lease is approved, will be entered with the complete legal description on the lease document.
- Item 3. County Applied Section Lies In:** Enter here the county in which the applied for section is located.
- Item 4. Signature:** Read carefully, sign and date where indicated. A copy of the rules are available from the Department of Lands. Notarization of the application is required.

Submission of Application: Mail one copy of the application and required fee to:
